Writs from the Officers

From the Kingdom Seneschal:
Greeting Outlands.

Mindfulness is not a new concept, but one I have noticed isn't being used to its' full potential. Our society is well into camping event season. Some rules aren't popular. Site rules and requirements aren't things we can ignore. Don't be the person that looses a site for a group or a kingdom because what you wanted to do was more important to you than what you "could" do. No one wants to do that paperwork.

The important things to remember are:

Don't not drink or smoke if you are not of legal age.
Don't sneak alcohol into a dry site.
Don't skip gate.
Don't light a fire.
Be the person you as a newcomer would want to meet.
Volunteer. Your event staff will thank you.

Mistress Aldyth Trefaldwyn
Seneschal Outlands

From the Chancellery of the Exchequer:
Good gentles of the Outlands,

I am pleased to announce that Baron John Roslyn the Ox has joined the Kingdom Exchequer Team as the Southern Deputy. Please welcome him kindly and show him the same respect that you have shown me as he transitions in. I would also like to thank THL Annie Chai for her tremendous support during her tenure. She has been an incredible asset to the team and I look forward to working with her again in the future.

Second quarter has come to a close and reports will be published soon. Please be on the lookout for those (hopefully next month, if the Chronicler has sufficient space in the OH).

If you are at all interested in the financial side of our organization, I encourage you to talk with your local exchequer, or any member of my team for that matter. We would be happy to talk with you about the process, offer training, or find areas where you might serve to keep the Dream alive. (Shameless plug here for a Northern Deputy for the Kingdom!!)

I look forward to meeting more of you during my tenure. If you see me at an event, please come up and say hello.

In service,
Sharon of the Roses

From the White Stag Principal Herald:
Greetings unto the Outlands!

Thank you to everyone who volunteered at or who came by Heralds' Point at Battlemoor! If you wanted to come by but weren't able to make it, please reach out to your local herald. If you don't have a local herald, reach out to me and I will connect you with a herald who can help you.

If you enjoyed your time working Heralds' Point, I am looking for a volunteer to take over running the table going forward: Meistr Llywus has run the Point at Battlemoor for 14 years, and he has expressed a desire to enjoy other aspects of the War going forward. Please reach out to Llywus or myself if you're interested or would like to learn more about what running Heralds' Point entails.

At Battlemoor, it was my pleasure to announce promotions in rank within the College of Heralds, as well as to enter many new heralds onto the roster for the good work they have done. Thank you all for your service!

Following the regular promotions, it was my pleasure to appoint Meistr Llywus ap Alan as a Herald Extraordinary for his decades of devoted and excellent service to the College of Heralds and the Kingdom of the Outlands. Congratulations Llywus!

Finally, the plugs continue for Known World Heraldic and Scribal Symposium (KWHSS), which is rapidly approaching! It is next month, August 22-23 in Collinsville, IL (just outside St. Louis). Yours truly will be attending in person and teaching three classes and hosting a roundtable (oof). If you're unable to attend in person, there will be online courses as well. Check the website for more information!

In Dienst,

Andreas von Meißen

Summer Coronation 2026

Hosted by the Barony of Caerthe

Invitation to the Coronation of the Heirs to the Stag Thrones

We are honored to announce a distinguished event in the Mighty Barony of Caerthe: the Coronation of Mordygan Æðeling and Crown Princess Ymanie, the rightful Heirs to the Stag Thrones of the Outlands. This momentous occasion marks the beginning of their reign and pays tribute to the enduring legacy of Their Majesties, reflecting deep tradition, artistic grandeur, and heroic valor.

Saturday: Coronation Court and Festivities

The heart of the celebration takes place on Saturday with the Coronation Court, a day devoted to honoring the new heirs through solemn ceremonies and joyful gatherings. As the day transitions to evening, a grand feast will bring together attendees in a spirit of fellowship and celebration.

In addition, a communal lunch will be served on both Saturday and Sunday, supported by generous donations. This provision aims to foster a welcoming atmosphere of generosity and camaraderie among all participants.

Artisan Exhibition: A Tribute to Viking Craftsmanship

Skilled artisans are invited to present their finest works under the inspiring theme of Viking heritage. This exhibition offers a unique opportunity to share the rich beauty and intricate craftsmanship of Viking art with the community, enhancing the cultural depth of the festivities.

Sunday: Tournament and Warrior Challenge

On Sunday, the event shifts to valor and skill as warriors from across the realm gather to compete for the honor of the new Queen. The armored combatants will meet upon the field of battle in the Queen's Favor Tournament and the Fencers will cross blades in the Protector of the Queen's Heart Tournament, while Cut and Thrust competitors vie for the title of Queen's Defender. This thrilling series of contests offers champions a rare opportunity to demonstrate their prowess and earn glory before the eyes of the realm.

Enduro of the Dead

Barony of Caer Galen

As All Hallow's Eve looms near the veil between this world and the next grows thin, and various undead emerge from the shadows to join us in the danse macabre. Keep your wits about you as you and your team traverse the land to complete your tasks and bring an end to the forces terrorizing our world. This year will see you needing to lean on the combined strength and skill of your whole group, so choose your party wisely and remember that there are a great many things throughout history and the world that can be considered "undead," so it would do you well to come armed with a breadth of knowledge common only to the obsessive and a depth of courage often found in the epics of yore!
